The compl. called the Homicide Office this date and stated that he was concerned about his son. According to the compl. his son called him this morning at about 10:15 A.M. and told him that he needed \$1,000.00 right away. His son would not tell him what he needed the money for, just that he needed it right away. The son, Charles Cary Cobble (WM) (17), said that he could not talk because there were people there. The compl. ask him if his roommate was with him and he said yes. The compl. told him that he would try and raise the money. Charles did not tell him where to deliver the money. He told the compl. that he would call him back. The compl. feels that ~~if~~ his son was being held against his will.

While talking to the compl. I learned that his son does not live at home, but lives in apartment # 26 of the same apartment complex as the compl. The son lives with a Marty Ray Jones (WM) (18). Neither Charles nor Marty is employed.

I checked with our Identification Bureau and found that Marty Ray Jones has a record. In 1972 he received 4 years probation for Fel. Theft and was arrested again in June of 1973 and charged with fel. theft. I could not find a record on Charles Cobble.

I checked our jail, the county jail, the Pasadena Jail and the Bellaire Jail to see if they were in jail. They are not in jail at any of these places. I advised the compl. to call us back if he heard from his son again.

PROGRESS REPORT: 7-30-73

Vern Cobble called and relayed the following information about his son. He stated that last week a WM by the name of GARY had shot at Marty Ray Jones WM18, the other person missing with his son. Charles Cobble and WILLIE FLORES GARZA LAM20, HPD# 202-200, had witnessed this shooting. Also the reason for this was that Jones had "burned" Gary for 20 lids of Marijuana. Gary is also supposed to have a crazy brother that has just been released from mental hospital in Austin.

This Gary is supposed to be a dope dealer and at one time lived at 3950 Hollister, #207, under the name of DONALD REED.

Vern Cobble got this information from Willie Garza who he has contacted since the last supplement. Also Garza is supposed to know where this Gary is staying now and is watching the house to see what is happening. Vern Cobble will attempt to have Garza contact someone in homicide about this and will also try and get an address on Garza.

Cobble stated that he has put up a reward for information leading to his son and has received information from the following people as well as Garza:

WRONDA WILLIAMS WF15
unknown address, 200 blk. of 22nd

SHELIA ??????
317 W. 26th, works at Long John Silvers, 22nd at Yale.

Also his brother-in-law, Chester Dobie Jr., 6323 Goforth, ~~xxx~~ 748-8670, has been helping him and has received some of this information.

PROGRESS REPORT: 8-1-73.

Mr. Vern Cobble, on this date, came to the office and brought Willie Flores Garza. Garza was supposed to have some information that could be important in this case. Garza stated that about 1½ months ago Marty Jones came over to his apartment and wanted him to go with him to see someone. They went to a apartment at 3950 Hollister #207 and while in this apartment, a WM 19-20, glasses, blond hair, 5'10", 150 lbs., pulled a shotgun on Marty and told him that he was going to get him for burning him. Garza and Marty talked to this subject and was able to get away from there without getting hurt. Garza feels that since Charles Cobble is now missing with this Marty, that this incident might figure into it in some way.

DETAILS OF OFFENSE, PROGRESS OF INVESTIGATION, ETC.

NOTE: The compl. in this case is now as listed above. The original compl., the father, VERN COBBLE, is now the reportee.

PROGRESS REPORT:

We, Zoch & Bonds, continued the investigation into this case. We went to 3950 Hollister and talked to the woman in charge of the office, Rina Hermann, WF, 462-4597. We learned that they had a previous tenant by the name of Donald Reed that had occupied several apartments there but were not living there now. This Donald Reed and a Gary A. Wilkerson, WM 19, had moved in #90 on 5-3-73 and later transferred to #207, as listed in previous supplements. That apt. had been vacated on or about 7-1-73. Mrs. Hermann stated that these two white males had caused them numerous problems and had other people staying with them who were not on the lease. Information on their application showed that a Bettie Holt, 1603 Bethlehem, 681-6382, had signed the lease.

We went to 1603 Bethlehem and spoke with Mrs. Holt, who we found to be the mother of Gary Allen Wilkerson, WM, 6-29-54. We asked her about the whereabouts of her son and she related the following. She has not heard from her son since approximately 7-2-73. At that time she thought he was still living on Hollister. Her husband, Gary's stepfather, and Gary do not get along but Gary does hit her up for money frequently. She became concerned about Gary as he had not contacted her and on 7-14-73, she went to this apartment on Hollister but had no luck finding him as the people in #207 acted as if they did not know who she was talking about. On 7-26-73, a nurse at a Doctors office across from Waltrip Funeral Home on Campbell called her in regards to her sons car, which had been abandoned in their parking lot a week or two prior. Mrs. Holt had this car, a 1970 Fiat, white, 1973 Texas [REDACTED], towed to her home on Bethlehem. In this car she found some applications for apartment rental in the name of her son, Gary A. Wilkerson, and a Gerald Edward Gorski, 1325 Conrad Sauer, 467-0143. These applications were for the same apartment, #432 of the Foxhall Apts., 8222 Kingsbrook, and were dated 7-7-73.

Mrs. Holt stated that her sister, Mrs. Bobbie Plocheck, 697-3077 heard from Gary on the night of 7-27-73. He came by and there was another White male with him. We were unable to contact her at this point and we are not sure ## who this was that was with Gary.

Earlier, while talking to Mrs. Hermann at the Hollister Apts.,

she described Donald Reed and Gary Wilkerson as follows:

Donald Reed, WM 18-20, 5'8", 155-160, dark brown shoulder length hair.

Gary A. Wilkerson, WM 18-20, 5'9"-10", slender build, blond shoulder length hair.

Due to this information and the description of the man in their apt. that pulled a shotgun on Marty Jones on a previous occasion, it is believed that that man is Gary Wilkerson. The other description was given by Willie Flores Garza to Det. Hamel on 8-1-73.

We learned from Mrs. Holt that Donald Reed lives with his parents near the intersection of Calvalcade and Sharman. From her directions we found this to be 4811 Sharman. We spoke to DONALD WAYNE REED, WM 19, 6-28-54, 4811 Sharman, 695-4252. He related the following. He and Gary Wilkerson had rented the apartment together but that it had not worked out and he moved back home. It did not work out due to Gary's dealings, probably with drugs. That on one occasion, Marty Ray Jones, who is also missing in this case, came to their apartment and was going to sell Gary some marijuana. He was going to sell him a lid and Marty went back to his car and brought back just a large quantity of marijuana. At this point, Gary Wilkerson, who according to Donald Reed is somewhat of a bully or acts that way, just decided to take the marijuana from Marty. Reed believes that he took it for his personal stash. Also, Reed did not see him but he got the impression that Willie Flores Garza was along with Marty at this time and that it was possible Garza's marijuana.

Reed further stated that Marty lived with he and Wilkerson for awhile in May and that he always had money and he believed that he was pushing dope. The last time he saw Gary was on Saturday, 8-28-73. Gary called him at home about some money that he still owed him. Gary came over and also told him that if he did not pay him, he would put him in the hospital. Gary came over and Reed paid him and then Reed took him to a place near the Hollister St. Apartments. It should be noted that Reed appears to be rather slow and Mrs. Holt also stated that Reed was not completely alert. Reed stated that he took Gary and dumped him near the Spring Branch Country Apartments, which includes the Hollister St. Apartments and a number of other projects nearby. Reed also mentioned that a Jerry Gorski, Wm 16, had stayed with them on Hollister for awhile.

We went by the reportee's address and spoke with he and his wife in detail. We also spoke with Mr. Chester Dobie, WM, 6323 Goforth, 747-8670, who is a brother to the compl. mother. He has been doing some inquiring on his own in regards to the whereabouts of the compl. We went over his findings with him but did not learn of anything much that was new.

Det. Bonds also spoke with Marty Ray Jones, mother, Mrs. Betty Shirley, who is in town and staying at 1413 Waseco, 467-5961. She was informed of some of our findings up to this point.

Chester Dobie, uncle of the above compl. who has been assisting Detectives in this investigation, called this date. He stated that the below person, Mrs. Dollens, had some information in regards to this case. I spoke with Mrs. Dollens on the phone and she related the following:

MRS. SHIRLEY DOLLEN, 304 W. 27TH #16, 862-3890.

On Wednesday night, 7-25-73, just after dark, she was outside at the apartment pool alone. It was just after dark, between 9 and 10PM. She stated she saw Marty Ray Jones and Charles Cobble walk by with an unknown white male walking behind them. Stated that they seemed to be walking in single file. They came from the W. 27TH side of this apartment project and seemed to have entered the courtyard-parking lot area from the west side. She knew both Marty and Charles but neither one spoke to her. Stated that they appeared nervous or scared and walked by with this unknown white male following them. They went towards the rear of the project. Marty and Charles apartment, #26, is toward the rear but she is not certain they went towards that apartment. This is the last she saw of either of the two boys. Did not think much of this incident one way or the other until she learned both boys were missing. The unknown white male is described as follows:

WM 18-20, same height and general build as above compl. (which is 5'10", 140 lbs.,), dark brown hair, shorter than shoulder length, moustache, NOD.

Mrs. Dollens stated that she would possibly be able to ID this subject in person only. She was leaving at this time on vacation but will be returning about 8-18-73.

For other details, see above listed companion cases.

This Missing Persons report will be cleared by Investigation. There will now be a Murder with Charles Cobble as the complainant. Case D-68907, which will be a companion case to Master File D-68904. For further details see those cases. This report will be attached to case D-68907.

We, Zoch and Bonds, continue the investigation. We received information that Marty Jones might be hiding at the Central Apts., 4411 Fulton at either apt. 22, 23 or 24. We went to these apts. and checked each one. We didn't find Marty Jones and none of the people in these apts. recognized his picture. We also showed a picture of Charles Cobble and no one recognized it.

We received information from Chester Dobie, Charles Cobble's uncle, that he was told by a girl that knows Marty Jones that he was at Apt. # 141, the Royal Winsor Apts. 5005 Richmond Ave. Unit #783, Officers, J.L.Walton, #2362, and D.W.Davis, #2278, checked this address for us. They found this to be the apt. of the manager, Alice Segelquist, WF34. She knew nothing of Marty Jones.

Chester Dobie advised us that he learned that "motorcycle Mama" real name is Mary Brown and that she lives at 1502 W. 28th, #2. This Mary Brown is supposed to have a 12 year old daughter.

We checked ID on the name Mary Brown, NF, and the only 2 they had are in their early 20's, not old enough to have a 12 year old daughter.

PROGRESS REPORT: 8-5-73

Neither of the parents of Charles Cobble or Marty Jones have any knowledge of their sons whereabouts. I had Gary Wilkerson flagged in ID this morning

9:55am I was contacted by Gary Wilkerson, who called asking for Det. Bonds or Zoch. I told him that police were looking for him in connection with the disappearance of Cobble and Jones, and he said that he has not seen Jones since the incident with the shotgun on Hollister, which was about 1½ or 2 months ago. He said that he had just learned from Donald Reed that we wanted to talk to him and that he has just moved to 906 Yale (upstairs) no phone, and went to work Friday for MARIK BROS. on Judiway (hanging sheetrock). I then asked him if he would come to the station to discuss this case and he said he would be in at 1 PM.

Mr. Jones came to the station to discuss case on the missing of his son, Marty. He said that he was unaware his son was involved in any drug dealings; and he thinks it unusual he has not heard back from him since he asked him for a \$1000.00.

1PM : Gary Wilkerson came to the station and this case was discussed with him in some detail. He said that: "I MET MARTY ON PITNER AT A MOTORCYCLE BAR WRECK. WE TALKED ABOUT GETTING HIGH AND HE CAME OVER AND SMOKED A JOINT IN APT. 90. HE INTRODUCED ME TO KELLY (DAVIS) AND HIS PARTNER; DAVID AND SHERAL (CHERYL & PEGGY ARE HALF SISTERS OF JONES) AND PEGGY AND DONNA. I HAVE KNOWN HIM FOR APPROX. 3 MONTHS. HE LIVED WITH ME FOR 3 or 4 WEEKS AND THEN STARTED A BUNCH OF TROUBLE IN OUR HOME SO I TOLD HIM TO MOVE. I SAW HIM APPROX. 2 WEEKS LATER AND GOT BACK SOME MONEY HE OWED ME. JERRY GORSKI LIVED WITH ME AT THAT TIME. I MET WILLIE AT SOME APT. IN HEIGHTS. MARTY HAD TALKED ABOUT JUMPING PRO (BATION). HE SAID IF HE GOT INTO TROUBLE HE WOULD 'HOOK ASS.' "

Gary states that he is presently on bond for arson, 2 burglaries and theft and will cooperate. He said that he would be willing to take a polygraph if requested to do so. He was told to stay in touch and contact me Monday

I had also talked with Charles Dobie, Jr. who has been helping his sister try to locate Cobble, his nephew. He said in talking with Garza he learned that the lost marijuana to Gary Wilkerson was probably not the reason for the boys to be missing, saying that it was only about \$200 worth of stuff and that Willie Garza said that he would make it good

And that he had heard Marty say something about ripping off "Motorcycle Momma" who he understands is a drug supplier or pusher in the N. Shepherd area : He said that Garza was willing to come to the station and make a statement regarding this

1:35PM Mr. Vern Cobble came to the office with Willie Garza. I at first talked with them both and then talked alone with Garza. Garza stated that he overheard Marty make several phone calls inquiring about some drugs (trees and quids) and someone gave him the name of motorcycle momma and said that she had just received a large shipment of trees and Marty told the person on the phone that he was going to rip motorcycle momma off, meaning that he was going to steal some of her stuff. Garza admits that he does not know who motorcycle momma is but has heard that she is no one to mess with like that, cause she would have you taken car up. He said he didn't mention this earlier because he did not want to get anyone accused but that since so much time has passed he thought he should speak up. He said that he tried to check out whether Marty did indeed rip motorcycle momma. He said that he went to her apt. off of Durham on W 28th and was stopped by two NMs who asked him where he was going and he asked them if they knew where motorcycle momma was and they said yes but that he couldn't go by himself and that he would have to go with a brother. He got into a car with them and they shook him down and asked him if he was a narc or was he going to try and rip motorcycle momma off and told him if he did he would pay for it. He said he went to the apt and a NF about 14 came to the door and said that "We don't sell after 10PM. Come back in the morning."

Garza said that they seem to have things organized pretty well and that if Marty tried to rip her off that he might have gotten himself killed.

Garza was told to keep in touch in the event he overheard anyone mentioning the disappearance of the two boys.
